**COMMUNICATION REGARDING DISKETTE COPY OF SEQUENCE  
LISTING AND STATEMENT UNDER 37 CFR 821(F)**

Dear Sir:

As noted in the accompanying Notice of Missing Parts, the initial application papers did not include a computer readable form of the sequence listing identified in the specification or a Statement Under 37 CFR 821(f) that the information recorded in computer readable form is identical to the written (paper) copy of the sequence listing.

According to the enclosed USPTO Notice (Rev. 12/27/2001) any reply including a sequence listing in electronic form should not be sent to the 20231 zip code address (as is this response), but instead should be mailed to the USPTO at Box Sequence, Arlington, VA 22202. Accordingly, the diskette copy of the sequence listing and the Statement Under 37 CFR 821(f) are not enclosed with this response, but have been mailed to the indicated Arlington address.

Respectfully submitted,

Date: March 26, 2002
